Learn about new research and practical applications of Succession Planning in the South Arts Region and nationwide.

Description Performing Arts Readiness Project Director Tom Clareson will talk about a new national research project on succession planning in arts and cultural organizations and the tools to be created by this initiative. Jan Newcomb, Executive Director of the National Coalition for Artsâ€™ Preparedness and Emergency Response, will talk about succession needs and solutions at the ten arts organizations she has led during her career. Rosie Gordan-Wallace of Diaspora Vibe Cultural Arts Incubator will discuss her experiences with succession planning.
